DANIEL P. HALL RIGGINS, MD, MPH

Board-Certified General Pediatrician

EMPLOYMENT

Current | 2024

Primary Care Pediatrician
Eskenazi Medical Group
Indianapolis, IN

Current | 2024

Assistant Professor of Clinical Pediatrics
Indiana University School of Medicine
Indianapolis, IN

2024 | 2023

Post-Doctoral Fellow in Public Health Informatics
Regenstrief Institute
Indianapolis, IN

- Full-time research position working on projects related to maternal child health

2023 | 2021

Preventive Medicine Fellow
Cook County Health
Chicago, IL

- Maintained a weekly half-day clinic performing pediatric primary care
- Also worked 70 hours in a clinic performing preventive care for refugee children

2021 | 2018

General Pediatrics Resident
Indiana University School of Medicine
Indianapolis, IN

- Received full-scope training in primary care, general inpatient, emergency department, newborn nursery, NICU, and PICU

2014 | 2012

ORISE Post-Baccalaureate Fellow
Food and Drug Administration
Bethesda, MD

- Worked as research assistant in bacterial genetics laboratory

EDUCATION

2023 | 2021

Master of Public Health
Northwestern University Feinberg School of Medicine
Chicago, IL

2018 | 2014

Medical Doctorate
Albert Einstein College of Medicine
Bronx, NY

2012 | 2008

Bachelor of Arts in Molecular Biology
Kenyon College
Gambier, OH

CERTIFICATIONS

2024 **Notecraft for Physician Builders**
Epic Systems — Verona, WI

2023 **Board-Certified in General Pediatrics**
The American Board of Pediatrics — Chapel Hill, NC

HONORS AND AWARDS

2022 **First Place Oral Presentation for Institutional Research Day**
Cook County Health

2018 **Distinction in Research in Clinical Investigation**
Albert Einstein College of Medicine

2016 **Student Scholarship**
Academic & Health Policy Conference on Correctional Health

2015 **David E. Rogers Student Fellowship Award**
New York Academy of Medicine

2014 **Jeffrey Schulman Memorial Scholarship**
Albert Einstein College of Medicine

2012 **Robert Bowen Brown Jr. Prize for Excellence in Biological Research**
Kenyon College

JOURNAL PUBLICATIONS

2019 **Corynebacterium pseudodiphtheriticum Exploits Staphylococcus aureus Virulence Components in a Novel Polymicrobial Defense Strategy**
mBio

- Hardy, B.L., Dickey, S.W., Plaut, R.D., Riggins, D.P., Stibitz, S., Otto, M., Merrell, D.S.
- DOI: 10.1128/mbio.02491-18

2017 **Staphylococcus aureus Epicutaneous Exposure Drives Skin Inflammation via IL-36-Mediated T Cell Responses**
Cell Host & Microbe

- Liu, H., Archer, N.K., Dillen, C.A., Wang, Y., Ashbaugh, A.G., Ortines, R.V., Kao, T., Lee, S.K., Cai, S.S., Miller, R.J., Marchitto, M.C., Zhang, E., Riggins, D.P., Plaut, R.D., Stibitz, S., Geha, R.S., Miller, L.S.
- DOI: 10.1016/j.chom.2017.10.006

2017

Recent incarceration and buprenorphine maintenance treatment outcomes among human immunodeficiency virus–positive patients

Substance Abuse

- Riggins, D.P., Cunningham, C.O., Ning, Y., & Fox, A.D.
- DOI: 10.1080/08897077.2016.1220443

2013

Escherichia coli K-12 Survives Anaerobic Exposure at pH 2 without RpoS, Gad, or Hydrogenases, but Shows Sensitivity to Autoclaved Broth Products

PLoS ONE

- Riggins, D.P., Narvaez, M.J., Martinez, K.A., Harden, M.M., & Slonczewski J.L.
- DOI: 10.1371/journal.pone.0056796

2010

Hydrogenase-3 Contributes to Anaerobic Acid Resistance of Escherichia coli

PLoS ONE

- Noguchi, K., Riggins, D.P., Eldahan, K.C., Kitko, R.D., & Slonczewski, J.L.
- DOI: 10.1371/journal.pone.0010132

MANUSCRIPTS

2024

A Statewide System for Pregnant People-Infant Linked Longitudinal Surveillance: Indiana's Model for Improving Maternal and Child Health

Submitted to International Journal of Population Data Science

- Inderstrodt, J., Riggins, D.P., Greenwell, A., Price, J.P., Williams, J.L., Bezy, E., Forkner, A., Bowman, E., Miller, S.D., Schleyer, T.K.L., Grannis, S.J., Dixon, B.E.

2023

Using Social Vulnerability Indices to Predict Priority Areas for Prevention of Sudden Unexpected Infant Death in Cook County, IL: Cross-Sectional Study

Accepted at JMIR Public Health and Surveillance

- Riggins, D.P., Zhang, H., & Trick, W.E.
- Preprint: 23/05/2023:48825

SELECTED PRESENTATIONS

2016

The relationship between incarceration and retention in opioid maintenance treatment (slides)

9th Academic and Health Policy Conference on Correctional Health

Baltimore, MD

- Riggins, D.P., Fox, A.D.

2012

pH Regulation Differs Under Low Oxygen Conditions in E. Coli (poster)

112th General Meeting of the American Society for Microbiology

San Francisco, CA

- Riggins, D.P., Martinez, K, Slonczewski, J.L.

UPCOMING PRESENTATIONS

2024

Linking Maternal and Child Health Data to Enhance Public Health Surveillance in Indiana

International Population Data Linkage Network Conference

Chicago, IL

- Riggins, D.P., Inderstrodt, J., Price, J., Grannis, S.J., Schleyer, T., Crago, J., O'Brien, S., Dixon, B.E.

SELECTED PROJECTS

Current | 2023

Research Impact of Regenstrief Data Repositories

Regenstrief Institute — Indianapolis, IN

- Mentor: Brian Dixon
- Description: Led literature review assessing all research utilizing data derived from the institute's electronic health record repositories like the Indiana Network for Patient Care
- Output: Preliminary internal report, currently in data collection phase

Current | 2023

Longitudinal Health Surveillance of Mother-Infant Pairs

Regenstrief Institute — Indianapolis, IN

- Mentor: Brian Dixon
- Description: Provided pediatric expertise to the Indiana team collaborating with the CDC on electronic health surveillance for Mother-Infant pairs affected by opioid use, stillbirth, or syphilis
- Output: None, currently in early implementation phase

2023 | 2021

Mapping and Predicting Sudden Infant Death

Cook County Health — Chicago, IL

- Mentor: Bill Trick
- Description: Developing models of the geographic distribution of Sudden Infant Death Syndrome-related deaths in Cook County, IL
- Output: Manuscript under review; Oral presentations to Cook County Health, Chicago Dept of Public Health, and Northwestern University

2023 | 2022

Wastewater Surveillance of SARS-CoV-2

Cook County Department of Public Health — Chicago, IL

- Mentor: Kelley Bemis
- Description: Modeling early warning for surges in COVID-19 hospitalization from viral particle burden in local wastewater samples
- Output: Poster presentation for MPH thesis and internal reports

2022 | 2021

Recovery Home Coordinated Capacity Project

Cook County Health — Chicago, IL

- Mentor: Juleigh Nowinski-Konchak
- Description: Acted as interim program manager for an intervention using navigators and capacity management software to improve the experience for clients seeking placement at substance use recovery homes
- Output: Abstract submitted to 54th ASAM Annual Conference

2022 | 2021

Evaluation of the RISE Center

Cook County Health — Oak Park, IL

- Mentor: Keiki Hinami
- Description: Generated descriptive statistics and an analysis of healthcare utilization for patients at CCH's medical respite center serving people experiencing homelessness
- Output: White paper

2022

Grant Review for "Building Healthy Communities"

Cook County Department of Public Health — Chicago, IL

- Supervisor: Jennifer Brothers
- Description: Reviewed and scored grant applications from community-based organizations for funding to support positive youth development
- Output: Internal score forms, my three top-scoring reviews all received funding of $250k - $1M

2016 | 2015

Incarceration and Buprenorphine Therapy

Albert Einstein College of Medicine — Bronx, NY

- Mentor: Aaron D. Fox, M.D.
- Description: Analyzed how recent incarceration affected outcomes of buprenorphine replacement therapy for a cohort of patients receiving integrated treatment for HIV and opioid use disorder
- Outputs: Two presentations, first authorship on journal publication, and research award from my medical school

SELECTED EXTRACURRICULARS

Current | 2023

Reviewer

Fetal/Infant Mortality Review Team — Indianapolis, IN

- Collaboratively review cases of fetal/infant death, validate case abstraction data, and formulate recommendations for health system improvement

Current | 2024

Committee Member

Indiana Perinatal Quality Improvement Collaborative — Indianapolis, IN

- Advise on an initiative to form statewide data system for tracking developmental screening

Current | 2024

Committee Member
Indiana State Public Health Data Advisory Committee
Indianapolis, IN

- Advise on data systems related to infant and maternal mortality

2022 | 2020

Volunteer
VOICES
Indianapolis, IN

- Chaperoned systems-involved youth on a college visit
- Mentored youth leadership fellows on an advocacy project regarding housing/homelessness

2018 | 2014

Clinical Volunteer
Einstein Community Health Outreach Clinic
Bronx, NY

- Completed 15 clinical sessions at Einstein's student-run free clinic for uninsured/undocumented patients
- During clinical years (3-4), provided primary care encounters for patients, ran back-of-house operations like laboratory/consult follow-up, and coordinated clinical flow
- During pre-clinical years (1-2), performed chart review for information on quality measures as well as initial patient intake and triage

2016 | 2014

Board Member
Einstein Social Medicine Lecture Series
Bronx, NY

- Coordinated lectures delivered by invited speakers on the following topics: healthcare for refugees, ethics of lethal injection, correctional health, and social implications of antimicrobial resistance

2014 | 2012

Board Member
Health Education Outreach Program
Bethesda, MD

- Personally taught 10 health lessons at homeless shelters in the Maryland suburbs of Washington D.C.
- As board member, helped with recruiting, training, and development of organization web site
- As head teacher, coordinated scheduling, wrote/edited content, and assigned responsibilities for a group of 5 teachers

PERSONAL INTERESTS

Bicycling
For my commute, recreationally, and as an avenue for advocacy

Citizen Science
Like the iNaturalist project

Gardening
I have a rain garden that serves as pollinator habitat

Mapping
Especially with the free OpenStreetMap project

Open Source
Especially projects in the R language
